INSIDE INFORMATION POSITIVE PROFIT ALERT

This announcement is made by Mulsanne Group Holding Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the “**Relevant Period**”) and other information currently available to the Group, it is expected that the net profit for the Relevant Period would range from RMB8.5 million to RMB9.5 million, which would increase by approximately 25% to 40% as compared to the net profit for the corresponding period in 2024.

The increase in net profit was due to, among other things, the strengthened expense control of the Group through cost reduction and efficiency enhancement measures during the Relevant Period, resulting in a decrease in the proportion of administrative and financial expenses to revenue as compared to the corresponding period in 2024.

As the Group’s interim results for the Relevant Period have not yet been finalized, the figures and information contained in this announcement are only preliminary assessment of the unaudited consolidated management accounts of the Group for the Relevant Period and other information currently available to the Group, and such figures and information have not been audited or reviewed by the Company’s auditor and may be subject to adjustments. Shareholders and potential investors should refer to the interim results announcement of the Company for the Relevant Period, which is expected to be published in August 2025 in compliance with the requirements under the Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
